Limit of Human Strength.

Experiments upon a number of men have shown that a man 5 feet high and weighing 126 pounds will lift, on an average, 156 pounds through a vertical distance of 8 inches or 217 pounds through a height of 1.2 inches. Others 6.1 feet high and weighing 183 pounds could lift the 156 pounds to a height of 13 inches or 217 pounds to a height of 6 inches. Other men 6 feet 3 inches high and weighing 188 pounds could lift 156 pounds to a height of 10 inches or 217 pounds to a height of 9 inches. By a great variety of experiments it was shown that the average human strength is equivalent to raising 30 pounds a distance of 2 1/2 feet in a second.

The finest Coffee substitute ever made, has recently been produced by Dr. Shoop of Racine Wis. You don't have to boil it twenty or thirty minutes "made in a minute," says the doctor. "Health coffee" is really the closest coffee imitation ever yet produced. Not a grain of real coffee in it either. Health coffee imitation is made from pure toasted cereals or grains, with malt, nuts, etc., really it would fool an expert—were he to unknowingly drink it for coffee. The Manning Grocery Co.

Independent.
"I thought you were married, and yet you're sewing on your own buttons."
"I am married, but I keep my independence, let me tell you."—Meggendorfer Blatter.

Very Stupid.
Village Schoolmaster (explaining "biped" and "quadruped")—Now, Jones, what is the difference between you and a pig? Jones—Couldn't tell you, sir.—London Opinion.

A man who can laugh at himself can laugh at the whole world.—Baltic.

When you see the name Rydale in an advertisement or on a remedy it is a sure sign that the remedy advertised is compounded from the prescription of a specialist. A specialist in a certain disease knows more about it than anyone else, and that is the reason why the Rydale remedy never fails to relieve and so often cures the troubles for which they are recommended. Rydale's Stomach Tablets, for Indigestion and Dyspepsia; Rydale's Liver Tablets for Liver and Bowels; Rydale's Tonic, for a system builder and sure cure for Chills and Malaria; and Cough Filixir, for all ordinary Coughs and bronchial trouble, are four prescriptions of the best specialists and will do all that medicine can do. W. E. Brown & Co.

Backwardness of the First Families.
While without doubt the courtesy of street car conductors and minor city employees isn't all that it might be, the public is hardly justified in demanding Chesterfields and Brummels on wages of \$2 a day. Many years ago an indignant citizen complained to old Mayor Quincy of Boston that the street sweepers were an ungentlemanly lot.
"I know it, I know it," acknowledged the old gentleman sadly. "I've tried to induce the members of the first families of Commonwealth avenue to handle the brooms, but they won't do it."—Woman's Home Companion.

A tickling Cough from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies. The whole-some leaves and tender stems of a lung healing mountain shrub, Dr. Shoop's Cough Cure. It calms the cough and heals the sore and sensitive bronchial membranes no opium, no chloroform, nothing harsh used to induce or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the doctor uses, "The sacred herb," demand Dr. Shoop's take no other. W. E. Brown & Co.

His Poetic Imagination.
"Doesn't the delay at the telephone annoy you?"
"No," said the slow spoken person. "I kind of like silence and solitude, and I never feel more alone than I do with the receiver at my ear and no sound save that of a low sad voice now and then in the dark distance that sighs, 'Waiting'."—Washington Star.

Rheumatism

I have found a tried and tested cure for Rheumatism. Not a remedy that will straighten the distorted limbs of chronic cripples, but a remedy that will cure the disease. But I can now surely tell the pains and pangs of this distressing disease.

When the Stomach, Heart, or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Dr. Shoop's Restorative—tablets or liquid and see how quickly help will come. Free sample sent on request by Dr. Shoop, Racine Wis. Your health is surely worth this simple test. W. E. Brown & Co.

Retrospective. Extracts from Miss Evergreen's diary: "This is my eighth birthday. A new brother came. His name will be Fritz. Fritz is twenty years old today, just a year younger than I. People always think us for twins."

"Fritz will be thirty years old tomorrow, his wedding day. How the time does fly! Of course he is eight years my senior and used to carry me about when I was a baby; still it seems strange to think of the boy getting married."—Fliegende Blätter.
